CPD Points at Professional Beauty London 2019

All visitors are entitled to a 'Certificate of Attendance at Professional Beauty London' in association with VTCT & iTEC.

In order to qualify:

- An attendee is eligible to receive the certificate if:
  - They have been at the show for at least three hours
  - They have received at least one seminar token from a Professional Beauty representative at a seminar

- Attendees must make their way to the VTCT stand (M35), where a VTCT representative will write the name and amount of CPD points on a pre-printed certificate for the attendee

After attending the show for three hours and receiving one token, attendees will be eligible to receive three CPD points. IF an attendee attends more than one seminar (and provides a token for each) they will be eligible for one more point per extra seminar.
